Project Management
Data Analysis
Microsoft Excel

Joey Maza

Data Analyst
Fairfax, Virginia, United States

Summary

With a background in biological sciences (BS, Brooklyn College) and an MBA from Drexel University's Lebow School of Business, I approach problems with both analytical rigor and business perspective.

My scientific training complements my technical skills—I'm comfortable with hypothesis testing, experimental design, and extracting insights from complex datasets. I'm currently expanding into machine learning and predictive analytics.

Experience

High Street Hospitality Group
4 years

Finance Manager
December 2021 - December 2022 (1 year 1 month)
Philadelphia, Pennsylvania, United States

Data-driven analyst with 3+ years of experience in financial analysis, business intelligence, and operational optimization. Proven track record of leveraging data analytics to drive revenue growth and improve operational efficiency. Proficient in SQL, Python, Excel, and business intelligence tools with hands-on experience in ETL processes, variance analysis, and KPI reporting. Strong background in translating complex data into actionable business insights. Currently expanding expertise in machine learning, RAG and predictive analytics.

Finance Manager
January 2020 - December 2022 (3 years)
Philadelphia, PA

Finance Manager
January 2020 - December 2022 (3 years)
Philadelphia, PA

General Manager
January 2019 - December 2021 (3 years)

GREEN LINE CAFE

Operations Manager
March 2016 - May 2019 (3 years 3 months)
Philadelphia, Pennsylvania, United States

Managed commissary food operations for five locations. Designed tracking info for daily orders from satellite outposts . Implemented reporting process on weekly inventory which led to reduction in food costs and waste.

STARR Restaurants
